

# *Junior Golf 2024*

**Get your Juniors involved in youth golf lessons through Harpeth Valley Golf. Junior golf, where we're passionate about shaping the future of young golfers.**

If you have a young aspiring golfer in your family, consider encouraging them to explore the world of junior golf. It can be a rewarding experience for both the young golfer and the family as a whole. We offer four separate weeks of a four-day junior program. Our PGA trained teaching staff will cover every aspect of the game including putting, chipping, pitching, bunker play, full swing and on course play! We offer a 6 student to 1 teacher ratio maximum for each week. That student/teacher ratio will guarantee that there will be plenty of personalized instruction within this fun group setting.

## **Age Based Groups**

Our program delivers golf lessons for kids and juniors aged 5 – 17, ensuring they receive age-appropriate coaching and experiences in a fun, safe and effective learning environment.

Ages 5 – 7	Fun and foundational coaching
Ages 8 – 12	Skill development in an inclusive and engaging environment
Ages 13 – 17	Competitive experiences with an emphasis on cooperation and independence

We emphasize the first four stages:

- **Stage 1: Active Start:** We get kids moving and playing, building a strong foundation.
- **Stage 2: FUNdamentals:** Golf becomes fun, inclusive, and developmentally appropriate.
- **Stage 3: Learn to Play:** Further development of fundamental skills and general golf skills.
- **Stage 4: Play to Improve:** Golf-specific skill development during growth spurts.
